

UNIVERSITÉ DE FRIBOURG
UNIVERSITÄT FREIBURG

The Faculty of Science and Medicine of the University of Fribourg and the Department of Mathematics

invite applications for a tenured position of a

Professor of Mathematics

Qualified applicants must have an outstanding track record in a field of mathematics with strong potential for applications, such as (but not limited to): PDE, dynamical systems, discrete mathematics, applied algebra, mathematical statistics, data science, numerical analysis, scientific computing.

The successful candidate will develop an internationally recognized competitive research program sustained by external funding. Teaching experience at university level is expected.

Seeking to promote an equitable representation of women and men, the University strongly encourages applications from women.

The closing date for applications is **31.10.2019**.
